BEST DESIGN PRACTICE

CIBSE UK Guide

Introduction

Incommensurate with The Chartered Institution of Engineers, UK in the development of guidance and tools to be published and disseminated for the purposes in striving of carbon reduction and wellbeingness enhancement, the CIBSE Hong Kong Region (the “CIBSE HKR”) and the Building Services Division of HKIE (the “HKIE BSD”) had prepared a seminar before its launch.

Objectives

To encourage younger members to carrying out overseas studies, CIBSE HKR and HKIE BSD offered 6 Awards out of the proceeds collected from the seminar.

The Judging Panel

Committee Members of both CIBSE HKR and HKIE BSD shall form a joint judging taskforce. (the “Judging Panel”). The decision of the Judging Panel shall be final in all aspects including the compositions and rules of assessments.

Selection of the entrants:

A. Invitation

1. 6 shortlisted open entrants from the CIBSE HKR and HKIE BSD websites.
2. 6 shortlisted entrants from the CIBSE HKR Committee.
3. 6 shortlisted entrants from the HKIE BSD Committee.

Each entrant is required to write not more than 20 words of the reason why he or she shall be selected.

B. Final shortlisted entrants: Three each from A (1), A (2) and A (3) above as determined by the Judging Panel. Total nine entrants.

C. The 9 entrants shall be given an essay or article on 1st August 2025 for reference and preparation.

Presentation at the Seminar

A. The 9 entrants shall be allowed to deliver their thought, views or aspiration to take the subject matter forward for 3 minutes on stage in the auditorium. Means will be provided for those awaiting entrants to stay isolated during others’ presentations.

B. Attendees of the Seminar shall cast one vote before departing the venue for the lunch break. The final announcements shall be made before the close of the Seminar by the Judging Panel. Guests and Speakers might be invited at discretion.

C. Three awards at HK\$15,000.00 each and three at HK\$10,000.00 will be presented to the six winning entrants. They are required to submit a report of their overseas studies within a duration to be determined.

D. The best three reports shall be awarded a prize money respectively at HK\$8,000.00, HK\$5,000.00 and HK\$3,000.00 to be presented at a time and venue to be determined.

E. The prize money will be sponsored from the proceeds of the Seminar.

NOTE:

“Gratitude to the Construction Industry Council from CIBSE HKR and HKIE BSD”
