

**Joint Technical Seminar on
Energy Efficiency Requirements for Lighting Installations under BEC2015**

Details

Date :	07 Mar 2016 (Tuesday)	Venue :	Chan Yat Mei Sophie Room, HKIE Headquarters, 9/F Island Beverley, No. 1 Great George Street, Causeway Bay, HK
Time :	6:30pm (Registration) 6:45pm - 8:00pm		

This seminar is a joint activity among HKIE-BSD, ASHRAE-HKC and CIBSE-HKB.

Programme Highlight:

The seminar will focus on lighting installation and lighting control requirements stated in BEC2015, which are now mandatory regulations that most projects should comply. Apart from explaining the changes against requirements in BEC2012, the common applications to address the new regulations will also be presented. The seminar will also introduce updated automatic lighting control technology and application of daylight control dimming strategies.

Speaker(s):

Mr. Patrick Yam, LEED AP BD+C

Mr. Patrick Yam is LUTRON's National Sales Manager of China specializes in energy solutions. He has over 10-year of experiences in design and installation of energy-efficient light management systems for various projects, including both LEED and HKBEAM installations successfully commissioned in mainland China and Hong Kong. In 2009, Mr. Yam obtained his qualification of LEED Accredited Professional (LEED AP). In recent years, he has been invited by various professional organizations as guest speaker to share his experience in sustainable designs.

Medium of instruction:

English (with Q&A session in English & Chinese)
