

Organizers:

Joint Technical Visit to Tin Shui Wai Hospital

This visit is a joint activity among HKIE-BSD, ASHRAE-HKC and CIBSE-HKB.

Date, time & venue

3 March 2018 (Saturday) – Morning (exact time to be confirmed)

Main Entrance of Tin Shui Wai Hospital

Programme Highlight:

Tin Shui Wai Hospital is the newest Schedule I hospital which provides service by phase from early 2017. At initial phase, Tin Shui Wai Hospital provides major ambulatory services, including daytime Accident & Emergency service, Specialist Out-Patient Clinic, Renal Dialysis, Allied Health and Community Nursing Service.

There are several advanced technologies and high energy efficient building services facilities applied in this hospital including:

- High Efficiency Air Cooled Oil-free Chillers
- Heat Recovery Chiller
- Variable Speed Chilled Water Pumps
- Heat pipe in AHU
- Fresh Air Demand Control for common areas
- LED lighting
- Solar Hot Water System for Pre-heating
- Photovoltaics System

Programme for the visit:

- Briefing
- Chiller Plant
- Typical Ward Area
- Operation Theatre
- Isolation Ward
- Medical Gas installation
- Pneumatic Tube System Plant

Registration & Enquiry:

Please register ONLINE via the website of CIBSE Hong Kong Branch – <http://www.cibse.org.hk>
