

Organizers:

Joint Technical Visit to Schneider Electric “Innovation Hub”

This visit is a joint activity among HKIE-BSD, ASHRAE-HKC and CIBSE-HKB.

Date, time & venue

24 March 2018 (Saturday) – morning (time to be confirmed)
Schneider Electric (Hong Kong) Limited, Quarry Bay

Programme Highlight:

This newly built “Innovation Hub” demonstrates how the cutting-edge technology could help in your everyday life – “Life is On”. To give a complete picture, apart from the big concept of Smart Home, Smart Hotel, and Smart Office; the down-to-the-earth equipment components will also be shown.

Programme for the visit:

- Briefing on nowadays technology with worldwide successful cases
- Introducing Concept of EcoStruxure
- Explaining how different components contribute in the Smart Home, Smart Hotel, and Smart Office.
- Reviewing on newest technology for collecting data from sensors and meters.
- Demonstrating on how different analytic tools could make the collected data meaningful for Asset Management and Energy Saving.

Registration & Enquiry:

Please register ONLINE via the website of CIBSE Hong Kong Branch – <http://www.cibse.org.hk>
The visit is free of charge and application will be accepted on a first-come-first-served basis. The maximum number of participants is 20. The deadline of application is **16 March 2018**. The successful applicant list will be posted on the institution website www.CIBSE.org.hk. For enquiries, please contact Mr. Tony Ngan at Tel. 2867 4033 or 9072 0039.
