## **Technical Seminar on Retro-commissioning**

---

### **Details**

<b>Date</b>	: 29 Nov 2018 (Thursday)
<b>Time</b>	: 6:30pm for registration, 7:00 - 8:30pm
<b>Venue</b>	: BC301, The Hong Kong Polytechnic University
<b>Fee</b>	: Free of Charge

### **CIBSE Speaker**

Ir Alvin LO	- Associate Director, Arup
Ir Chris Kwan	- Executive Director, SunlandPlus

### **Programme Highlight**

Retro-commissioning (RCx) is a systematic process to periodically check an existing building's performance to identify operational improvements that can save energy and thus lower energy bills and improve indoor environment.

This seminar is specially organized to introduce the development of Retro-commissioning in Hong Kong. The main focus in this seminar includes the following:

- Overview and objective of Retro-commissioning
- Process and different stage of Retro-commissioning
- Benefits of Retro-commissioning
- Case study

### **Registration & Enquiry**

Please register ONLINE via the website of CIBSE Hong Kong Branch – [www.cibse.org.hk](http://www.cibse.org.hk).  
(Note: All members have to fill in the membership number for verification. The organizers reserve the right to decline their application if no membership no. is submitted.)

The talk is free of charge and application will be accepted on first-come-first serve basis. The maximum number of participants is 50. The deadline of application is 23 November 2018. Successful applicants will be notified by e-mail or phone, and the successful applicant list will be posted on the institution website – [www.cibse.org.hk](http://www.cibse.org.hk).

For any enquiry, please contact Mr. Tony Lam at 9539 1846.
