

2019 International Lighting Symposium

Smart Lighting Beyond Imagination

Organised by CIE (Hong Kong)

Friday

18 October 2019

at Grand Ballroom, Kowloon Shangri-La Hotel, Hong Kong

SYMPOSIUM PROGRAMME (Morning Session)	
08:30	Registration
09:00	Welcome Address Ken LO, Chairman, CIE Hong Kong
09:10	Opening Address Ir Eric PANG, JP, Deputy Director, Electrical and Mechanical Services Department, The Government of the Hong Kong SAR
09:20	Application and system optimization with distributed management of IOT sensors for a smarter city See Gim KERK, Chau YUEN Power Automation, Singapore
09:50	Smart IoT and Energy Efficient Lighting in Health Care Facilities KW MA ¹ , KY CHAN ¹ , PL YUEN ² ¹ Electrical and Mechanical Services Department, HKSAR Government, Hong Kong ² Hospital Authority, Hong Kong
10:20	Discussion
10:35	Coffee Break
11:00	Exploring the potential of data hidden in smart lighting networks Steve COYNE, Gillian ISOARDI Light Naturally, Brisbane, Australia
11:30	Performance lighting design for theatres LEUNG Wing-hong Lincoln, CHIANG Chi-keung Max, MA Ching-wah Midco Architectural Services Department, HKSAR Government, Hong Kong
11:45	Discussion
12:15	Lunch

SYMPOSIUM PROGRAMME (Afternoon Session)	
14:00	<p>Quantification of dynamic health-centric lighting and its applications in the school classroom WANG Jianping¹, MOU Xi² ¹ Zhejiang Sensing Optronics Co., Ltd., Hangzhou, China ² Zhejiang Smart and Health Lighting Research Center, QinshanLake City, China</p>
14:30	<p>Impacts of lightings on the surroundings: measurements of urban skyglow Chun Shing Jason PUN The University of Hong Kong, Hong Kong</p>
15:00	Discussion
15:15	Coffee Break
15:35	<p>Business opportunities on lighting industry from the ecological civilization perspective Steve WONG Billion Group Technologies Ltd., Hong Kong</p>
16:05	<p>Use of IES TM-30 for selecting and specifying LED products Minchen WEI The Hong Kong Polytechnic University, Hong Kong</p>
16:35	Discussion
16:50	<p>Closing Remark TM CHUNG Symposium Organising Committee Chairman</p>
