## **“Technical Seminar Series – Application of BIM in Facility management”**

---

### **Details**

<b>Date:</b>	22 November 2017 (Wednesday)
<b>Time:</b>	18:30 for registration, 19:00 – 21:00
<b>Venue:</b>	CF302
<b>Fee:</b>	Free of Charge

With last year’s overwhelming number of applications, we, CIBSE YEN, are pleased to continue the technical seminar series of BIM application. The series will cover all aspect of BIM practical use in our building industry and the latest technologies of BIM add-on. The first of our all is also the leading edge of our industry. BIM is generally treated as an unconventional tool in design or construction stage. Yet, the innovation of engineers are limitless that they use BIM as an operational tool for facility management. What will the revolutionary ideas change the industry?

### **Programme Highlight**

- A. Overlooked treasure in operating buildings
- B. BIM application in Facility management
- C. The revolutionary “7Ds” of BIM application
- D. Theoretical to practical; Design stage to construction stage
- E. Visualize the future

### **Speaker**

Ms. Karen Shi, Engineer of Ove Arup & Partners Hong Kong Ltd

### **Registration & Enquiry**

Please register ONLINE via the website of CIBSE Hong Kong Branch – [www.cibse.org.hk](http://www.cibse.org.hk)  
(Note: All members have to fill in the membership number for verification. The organizers reserve the right to decline their application if no membership no. is submitted.)

The talk is free of charge and application will be accepted on first-come-first-serve basis. The maximum number of participants is 50. The deadline of application is 20 November 2017. Successful applicants will be notified by e-mail or phone, and the successful applicant list will be posted on the institution website [www.cibse.org.hk](http://www.cibse.org.hk).

For any enquiry, please contact Mr. Michael Lai at 9083 6868.
